Ms Cherry

Admissions update

As of January 8th any application for a place at Hillary Primary School
must be made through the council.
Our school waiting list is now obsolete and if your child was on our waiting
list they need to reapply to Walsall Council Admissions team.

Trip update

If you paid for a trip and the trip was cancelled due to the bad weather
don't worry. The money you paid will be put towards another trip during
the year.

Sadly, the theatre did not refund any of our payments so this money was
lost. However, Governors have agreed not to pass this loss on to parents.

Christmas performances and Community work.

Huge thanks to the parents who came to watch their children in our
Christmas productions. The snow did make it a bit challenging!

The choir were tremendous at raising money by singing Carols in
Morrisons. Plus their singing at the local old peoples centre made lots of
people very happy.

The choir also represented the school well at the Christmas Carol Con-
cert at the Forest Arts Centre. If you log on to the school website you
can hear them sing.

Positive Parenting

A new course is starting soon. If you are interested in signing up for it
then please ask Mrs Dilloway.

Free School Meals

**If you think you may be eligible then please contact
Mrs Sanghera in the school office.**

Health and Safety

During icy and snowy weather please take extra care around the playground walkways.

Mr Stanton, our caretaker will grit designated walkways around the school.

However, we are unable to grit the access via SLANEY COURT because this is not school property.

Therefore parents and children will use this at their own risk.

Should school have to be shut for snow then please listen to your local radio station for information.

A text will also be sent.
