Summer.

Welcome back to Hillary Primary School.  
I hope you all had a good summer and spent some quality time with your children.  
This newsletter will hopefully have information that you find useful.  
Miss Cherry

### PE

Please make sure your child has their kit in school.  
It needs to be in school every day.

- Black shorts/ leggings
- White PE shirt
- Black pumps
- PE bag with name on it

Make sure kit has name written in it too.

### Clubs

Clubs will be starting next week. There are so many on offer that a separate letter will be sent. Children will be informed of clubs and times in assemblies.

Sports, music, study and drama clubs are free.

Paid child care is available at :-

#### Breakfast club

Which starts at 8.10am and costs £1. Children will be offered cereal and a drink.

After school care ( which we are now calling Magpies)

£3 until 4.15pm

£4.50 until 5pm

Children are offered toast, fruit and a drink

Please contact the office and book your child in and pay the appropriate amount.

### School Meals ( The food is fantastic!)

If your child is now in Y3 they will NOT automatically get  
FREE SCHOOL MEALS .

You need to make sure you have applied for your  
FREE SCHOOL MEALS otherwise you will be receiving a bill from our kitchens.  
School meals are £2 per day paid directly to the kitchen

### Parent Support Workers

Mrs Dilloway, Mrs Gemes and Mrs Stanley are always available to help.  
They did some great work last year supporting families with housing problems, debt support, understanding what children are learning in school, cooking courses, parenting courses, medical appointments and translation.

Please call in and see them if you want help they will be very pleased to see you.

### School trips and enrichment activities.

School always pays a significant amount towards trips. Parental contributions are kept to a minimum.

Please do your best to pay the amounts requested as this will ensure a trip can take place.

Transport for trips is very expensive—eg coach/ bus for swimming costs £150 per session— when your child goes swimming you are not asked to pay. Your help is much appreciated when asked to contribute.

## Health and Safety

During icy and snowy weather please take extra care around the playground walkways.

Mr Stanton, our caretaker will grit designated walkways around the school.

However, we are unable to grit the access via SLANEY COURT because this is not school property.

Therefore parents and children will use this at their own risk.

Should school have to be shut for snow then please listen to your local radio station for information.

A text will also be sent.
